A Pitiful Condition. It is a sail thing to pass through life only half ive. Yet there are thousands whose habitual endition is one of languor and debility. They mplain of no specific disease; they suffer no sitive pain; but they have no relish for anything which affords mental or sensuous pleasure. n nine cases out of ten this state of lassitude and In the cases out of ten this sace as a torpor arises from a morbid stomach. Indigestion destroys the energy of both mind and body. When the waste of nature is not supplied by a due and regular assimilation of the food, every organ is starved, every function is interrupted.

Now, what does common seese suggest under these circumstances of depression. The system

nels of circulation, instead of the watery pubulum with which they have heretologic been imperfectly lowest prices.
